

NOTICE TO THE PUBLIC

In an effort to limit the spread of the Coronavirus the June 9, 2020, Primary Election will be conducted entirely by mail in Clark County and throughout Nevada.

All Clark County active registered voters will receive a mail ballot packet from the County Election Department in the mail beginning in the first week of May.

The mail ballot packet will include your ballot, instructions on how to cast your ballot, a postage paid envelope to return your ballot through the mail, and a list of mail ballot drop off sites where you can personally drop off your ballot if you prefer to do so.

Because it is an all-mail ballot election, you will not be required to submit a mail ballot request for the Primary Election.

More details will be provided soon related to this change in voting for the primary election. Please check the County Election Department website at www.ClarkCountyNV.gov/vote for additional information about the upcoming election, and for any updates to this all-mail ballot process. Election Department staff are also available by phone at (702) 455-8683. Callers are asked to leave a voicemail if we are unable to immediately answer their call. Also see the announcement on the Secretary of State's website at www.nvsos.gov/sos/Home/Components/News/News/2823/309.

Residents are encouraged to check their voter registration status to make sure they will be able to vote in the elections. To check your registration status, enter your personal information in the Registered Voter Services box on the Election Department website at www.ClarkCountyNV.gov/vote.
