Calton (2286 ft²)

The Calton is the perfect four bedroom home for a family seeking the comforts of single family home. The Calton is designed to meet a variety of living needs in an easy, convenient manner. Guests for formal occasions are easily guided through the entry the living room where a volume ceiling and fireplace provide an understated elegance to a formally designed room. From there you can seat your guest in the separate formal dining room. More casual entertaining and most day-to-day living will probably round the unique kitchen and family room. This is particularly true with the inclusion of an island counter, brings the kitchen into everyday use. It allows you to be involved with your family or to continue to enjoy guests while remaining in the kitchen. The addition of the optional fireplace in the family room makes this area of the home even more friendly and attractive. The breakfast room off the kitchen invites contemplative mornings while the den allows for quiet reading or relaxation. Upstairs, relax in the quiet luxury of your own master bedroom/bath suite. You will also find the large double walk-in closets a convenient touch. Other family members or overnight guests are accommodated in the additional three full size bedrooms. A second, full, upstairs bath is convenient to the additional bedrooms. A main floor laundry room, powder room, two car garage and nicely sized basement add finishing touches to this well designed home.
