## WORK EXPERIENCE

---

- Cal-Maine Foods, Inc. Summer 2019  
As a summer intern at Cal-Maine Foods, I was exposed to many aspects of poultry production in both production and processing. In production, I had exposure to flock service, molting programs, feeding programs, vaccination programs, house maintenance, pest control programs, record keeping, and supervision in the layer and pullet houses. In processing, I had exposure to grading, packing, warehousing, shipping, sanitation procedures, preventative maintenance, inventory control, procurement, and supervision in the processing plant.
- Clark Cattle & Citrus, Inc., Lakeland, Florida 2015-2019  
Assisted Farm Manager on all aspects of operating a 375-acre farm
- Publix Supermarkets, Produce Clerk 2017-2018  
Responsible for sales and inventory of the produce department
