NOT FOR PUBLIC RELEASE

In case of an emergency or if you are transported to the hospital, BRING: cell phones, chargers, and insurance cards

Name of person providing these instructions: _____

How to secure your residence if you need to be transported to the hospital:

How to secure and take care of pets if you go to the hospital:

Instructions for friends or neighbors if you need to be away from home for more than 24 hours:

Do you have a Do Not Resuscitate (DNR)* in place? _____

Do you have a Local Fire Department Emergency Alert in place? _____

If not, consider contacting the Local Fire Department website to find their non-emergency phone number. By phoning or following the instructions on the website, you will be able to give critical information that can later be provided by a dispatcher in the form of a Premise Alert if you have to call for Emergency Services. Your Emergency Alert Information will be relayed to the First Responders while en route. A Premise Alert may include:

- Where additional sets of keys are located.
- Special considerations such as individuals who have limitations.
- Special health considerations.
- People to contact in an emergency, if needed.
