WELCOME BOWLERS!

Welcome bowlers to our 3rd Annual Nikkei Vegas Championships here at Sam's Town.

We look forward to a fun and competitive weekend. Don't forget to enter the Ragtime Doubles during the Singles event and the Fantasy Team Pot during Team and Singles event. We will have FREE bowling balls to raffle off and goodie bags with t-shirts for those bowling in Team event.

Next year, this event will most likely have to move back to June. With the new bowling season and school starting in the fall, some were not able to participate. We will check our schedules and will let everyone know our 2015 dates as soon as possible.

Thank you again for your support and we look forward to seeing you at our upcoming events in 2015. You can find information our information online at **SCNBA.com**. Good luck to everyone!

Eric Yokoyama, President

The purpose of the Southern California Nikkei Bowling Association is to increase the general interest in the game of bowling within the heritage of the Japanese culture and community allowing its members to foster and encourage the spirit of good fellowship, keen competition, sportsmanship, and fair dealings in all its bowling activities.

History of the SCNBA

The Southern California Nikkei Bowling Association was formed in 1955 to service the local Nisei bowlers in the area due to the caucasian only rule of the American Bowling Congress (ABC). Amazingly the primary members of the association were produce managers and gardeners. The organization, which was run with a separate men's and women's board, merged into one functioning unit in 1998.

The Southern California Nikkei Bowling Association continues to increase the general interest in the game of bowling within the heritage of the Japanese culture and community allowing its members to foster and encourage the spirit of good fellowship, keen competition, and sportsmanship in all its bowling activities.

The term "NIKKEI" bowling league refers to a USBC certified league having not less than two-thirds (2/3's) of its bowlers, including substitutes being at least 25% Japanese family ancestry and non-Japanese currently belonging to the SCNBA.

SPECIAL STORM BOWLING BALL OFFER

The SCNBA has partnered again with STORM this season and will be offering a special bowling ball opportunity to all of our Nikkei leagues. Each league can purchase new model Storm ball of their choice (2 for \$100) and raffle them off at their sweeps. Last year only three leagues took advantage of this offer. Hopefully this year, your league can take advantage of this great opportunity. Information has been sent to all league secretaries in the new season league packets.

CONGRATS to Jim McGuire and Jamie Rovner who won the balls from the SFV Nisei league on Friday nights at Mission Hills Bowl; Paul Smith and Joe Ikegami from the Japan Trade league at AMF El Dorado; James Kushner and Jairo Chiriboga from the PPBC Nikkei Trios league at AMF Beverly Lanes.
