Dear Greater Binghamton Area PSU chapter members,

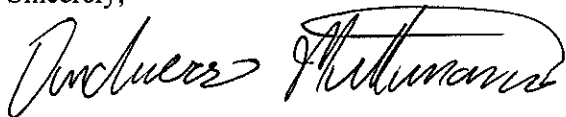

I am honored to be chosen as a finalist for the GBAPSU Scholarship. Thanks to your generous support, my dream of graduating Penn State prepared for a successful career in finance is moving forward.

When I was notified that I was chosen for the scholarship, it brought my family and me great relief and happiness. As fellow Penn Staters, I am sure you understand the financial commitment that comes along with school and the steps in pursuing a career. Your scholarship will help me with the financial burden immensely. I cannot thank you enough for your confidence in me and the hard work you put in to organize the GBAPSU Scholarship.

I am very thankful for your help, especially in the beginning of the school year when expenses are high. Thanks to your scholarship, I do not need to borrow as much money and I am able to save money in the long run. I plan to use the scholarship for academic costs like tuition and textbooks. Your scholarship will help me focus more on academics and stress less on financing my future, which is a big relief and a great feeling heading into the fall semester.

Once again, thank you so much for believing in me to succeed in my career. I am committed to my academics, and am now one step closer to achieving my dreams thanks to the Greater Binghamton Chapter Alumni Association's generosity and hard work.

Sincerely,
