

SILENT NO MORE FOUNDATION PRESENTS:

National Call-In Day

Contact your representative on July 10, 2019 in support of H.R. 1309!

Find your voice and be #SilentNoMore

Help protect healthcare and social services workers from violence in the workplace.

Open your calendar app and add this event! On July 10, 2019, join a nation of healthcare & social services supporters who know the epidemic of violence in the workplace must end. Contact your representative to tell them you support H.R. 1309, and you need them to support it, too!

1

LEARN ABOUT HR 1309

Read the [bill](#) and consider what is important to share about it.

2

FIND YOUR LEGISLATOR

Visit [this webpage](#) to find your legislator and his or her contact information.

3

CALL YOUR LEGISLATOR

Call or email your congressperson. Ask them to support and cosponsor H.R. 1309.

What is H.R. 1309?

This bill develops an OSHA standard that specifically requires healthcare and social services employers to develop prevention plans. It also requires investigation of violent incidents, requires training be provided, records be maintained, and prohibits retaliation against employees who report violence or are assaulted.

Silent No More Foundation is on a mission to protect healthcare workers before, during, and after an assault in the workplace.
