

Health Imperatives

MALE SURVIVOR SUPPORT GROUP

For Adult Male Survivors of Sexual Violence

This group is a safe environment where male survivors of sexual violence can receive support surrounding their experience and the impact it has on their life.

Healing is a matter of time, but it is sometimes also a matter of opportunity. Hippocrates

Contact Tom if you are interested in finding out more.

Must complete group screening process and be able to commit to 10 sessions.

*Quincy Visitation Center
180 Old Colony Avenue
Quincy, MA*
