10. What is your vision for Mossyrock in the future? _____

	Strongly Agree	Some-what Agree	Neutral	Some-what disagree	Strongly Disagree
Development Aesthetics:					
1. Mossyrock's current commercial buildings are of a quality standard appropriate for our City's image.					
2. Mossyrock has attractive main streets and gateway entrances.					
3. Mossyrock should require higher architectural and landscaping standards in non-residential areas.					
4. Mossyrock should invest public funds to plant trees and add quality landscaping along our main streets.					
Smart Growth:					
1. It is more important to have development than it is to have more open space and preserve trees.					
2. It is important to have less development in Mossyrock even if it means we pay more in taxes for services.					
3. New developments should be more compact to make them more walkable and preserve more open space.					
4. Construction of sidewalks in Mossyrock is a high priority.					
5. Construction of bike paths in Mossyrock is a high priority.					
6. Mossyrock currently as a town “center” that serves as the “heart” of our community.					
7. Mossyrock should concentrate new development into a walkable downtown for citizens to meet, shop, and gather.					
Shopping and Business:					
1. Existing shopping and businesses in Mossyrock meet my needs.					
2. I would like to have more businesses in Mossyrock so that I would not have to leave Mossyrock to shop.					
3. Mossyrock would benefit from more fast food and chain restaurants.					
4. Mossyrock would benefit from more chain retail stores.					
5. Having small, locally owned businesses is better than having big chain stores in Mossyrock.					
6. Local businesses and small stores are important indicators of Mossyrock’s well-being.					

	Strongly Agree	Some-what Agree	Neutral	Some-what disagree	Strongly Disagree
--	----------------	-----------------	---------	--------------------	-------------------

Housing and Residential Development:

- 1. Zoning codes should be amended to allow renovating or modifying existing homes into apartments or duplexes.
- 2. Zoning codes should be amended to allow for new smaller single-family homes on smaller lots.
- 4. Mossyrock needs more modest “starter homes” for young families with school-aged children.
- 5. Mossyrock needs more independent and assisted living options for retirees and the elderly.

Flooding:

- 1. Residential and commercial development should not be allowed in areas that are susceptible to flooding.
- 2. Mossyrock needs stricter limits on paving and other development activities that increase stormwater runoff.
- 3. Mossyrock is currently doing a good job maintaining roadside drainage ditches to prevent storm flooding.

Conservation and Environment:

- 1. Clear-cutting of woodlands should be allowed in Mossyrock.
