Caution: Administer during or after the animal has eaten to reduce gastrointestinal upset. Safe use in pregnant animals or animals intended for breeding has not been proven. This product is not intended for use with animals with clotting disorders or taking anticoagulant medications (blood thinners). Federal law prohibits off-label use of this product in ruminants. If lameness worsens, discontinue use and contact your veterinarian. Warnings: Keep out of reach of children and animals. In case of accidental overdose, contact a health professional immediately.

GENERAL INFORMATION

St. Gabriel Organics UrthPet Hip&Joint powder contains a blend of natural ingredients, which are renowned for their beneficial qualities. This product is manufactured with high quality ingredients. This product is non GMO, and not Gamma irradiated. Chondroitin, calcium, and vitamin E are natural constituents of animal bones and cartilage and glucosamine, phosphatidylcholine, and quercetin help support joint function. Chondroitin and glucosamine are the most popular and sought after joint supplements while vitamin E, phosphatidylcholine, and quercetin are

known to support the body's normal inflammatory response.

DIRECTIONS FOR USE

This product is ready to use from the bottle. Shake before measuring/using. One level tablespoon after shaking weighs approximately 8.5 grams on average. One level cupful after shaking weighs approximately 136 grams (4.8 ounces) on average.

This product should be administered daily, according to Pets' weight or as recommended by your veterinarian, to help support pets' normal inflammatory response and joint function.

For most pets, joint support can be generally expected in about few days after initiating a daily regimen, but occasionally it may take more than a month to become effective depending on specific issues regarding your pet and possibly environmental conditions. There is no withdrawal period.

GENERAL USAGE LEVELS:

Small animals (under 5 lb): 4.25 gram (½ TBSP)/day
Small animals (5-10 lb): 12.75 gram (1½ TBSP)/day
Medium animals (11-30 lbs): 25.5 grams (3 TBSP)/day
Large animals (31-75 lbs): 34 grams (4 TBSP)/day
X-large animals (76+ lbs): 42.5 grams (5 TBSP)/day

STORAGE AND HANDLING

Store in a tightly, sealed container in a cool and dry area. Keep away from strong light and heat. DO NOT BAKE or add this product to hot food, because heat will destroy the active ingredients. Do not store pet food mixed with UrthPet Hip&Joint. Store UrthPet Hip&Joint in its original package in a cool dry area. Shelf life is at least two years from the date of manufacture. Refrigeration may extend the life of the product.

Container Disposal:

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions.

WARRANTY Seller warrants that this product conforms to the chemical description on this label and is reasonably fit for the purposes stated on this label only when used in accordance with directions under normal use conditions.

This warranty does not extend to use of this product contrary to label directions, or under abnormal use conditions or under conditions not reasonably foreseeable to seller. Seller makes no other warranties, either express or implied.
