

Places to Eat & Drink while you're our Guest.

Everyone at ASTA hope that you enjoy your stay in Pelham and benefit from the courses.

We've prepared this short list to help you find nearby local establishments. For your ease of reference, we've provided the driving distance to each one from the Fairfield Inn at the corner of ALHwy 119 and USHwy 31.

The restaurants below are area locally owned and founded here in Pelham or the surrounding communities (Alabaster, Hoover, Birmingham). There are plenty more, and of course all the chain restaurants you're already sick of.
