In Memoriam

A bench to honor Bob Wiltgen, our friend and property manager, is now at the South end of the walking path. It's a lovely place to sit and observe wetlands wildlife.

We Love Our Neighborhood Dogs

Sadly, the much beloved Kai won't run the path with Scott Kukral and Anne Gaspers. We will all miss her great happiness.

Two new puppies are growing up in the hood, Oakley, a German Shorthair, that belongs to Naomi and Kip Anderson and Emma, a Vizsla that belongs to Sherry and Kurt Willson. Boy are they cute!

Well Hello Big Boy!

This bull elk decided to come for a little visit to the backyards on the South end of the path. Apparently, the Eddy's tree looked delicious!!

Garden Tips

It's time to start thinking about the fall bulbs you want to plant and to buy them. The bulb size correlates with flower size and it's best to buy bulbs from an open bin to make sure they are not damaged. Many varieties of garlic also are planted in fall. Yummmm!

Volunteer of the Month – Trish Coberly

We think it is important to highlight the behind the scenes contributions of people in the neighborhood who have contributed many hours to enhance of our community. We are grateful for everyone who volunteers their time and talent.

Well the title should really say Volunteer of the Years because for countless years, Trish maintained the Mariana Springs website including posting board minutes, photos and keeping the domain name licensed. This is a great deal of work and represents a savings for the neighborhood that helped to keep costs down. We are grateful to Trish for all of her hard work. Thank you, Trish, for all that you have done for the Mariana Springs neighbors.

"Volunteering is the ultimate exercise in democracy. You vote in elections once a year, but when you volunteer, you vote every day about the kind of community you want to live in." – Author Unknown
