

IRON HORSE
GOLF CLUB

March 17, 2020

Dear Members,

We are all experiencing the impacts of Coronavirus (COVID-19). While this is a rapidly-evolving situation, we want to share the steps we are taking to keep our members, employees, and community healthy and safe.

Effective Tuesday, March 17, the Clubhouse at Iron Horse will be closed to all member use. This includes the dining room, fitness facility, golf shop, daily service in the main bar, Practice Facility, and Fish Camp.

Our goal is to reopen on Saturday, May 9, but we will make our decisions based on the Government and Center for Disease Control's recommendations.

Currently the Administration Office and Club maintenance will remain operational and the remodel/construction work on the lower-level of the Clubhouse will continue. If you have any questions, please do not hesitate to contact me at 406.863.3131 or bschmidt@ironhorsemt.com.

Sincerely,

Robert G. Schmidt
General Manager
