

My Exchange Students

by:
Hailey

Dedicated to my Chinese friends:
Evan, Cola, Chinnie, Elle and Fiola

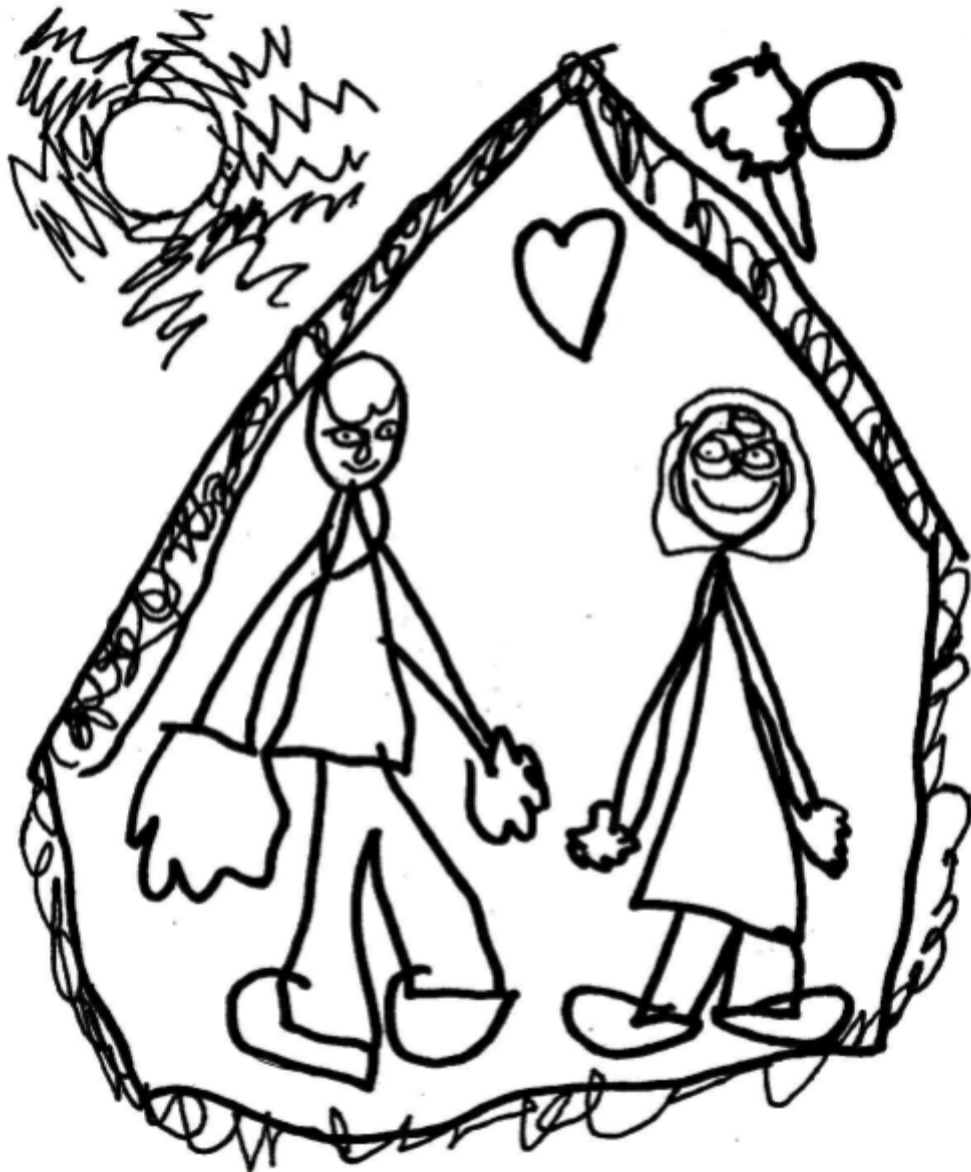

I live with my Mommy and Grandma.
We are a happy family. Sometimes
we have exchange students from
China.

Evan and Cola were our first students. Evan was very quiet. Cola loved to play games with me.

Next Chinnie came and stayed with us. She was very nice. She played with me a lot.

Now we have Elle and Fiola at our house. Elle likes to shop. Fiola likes miniature golf. They came to my school.

I love our exchange students. Now our family has five new members.

Hailey Storie is a kindergartener at Mesquite Trails Elementary in Mrs. Thompson's class. She loves to play games and make stories. She also loves her family.
