## FOR IMMEDIATE RELEASE

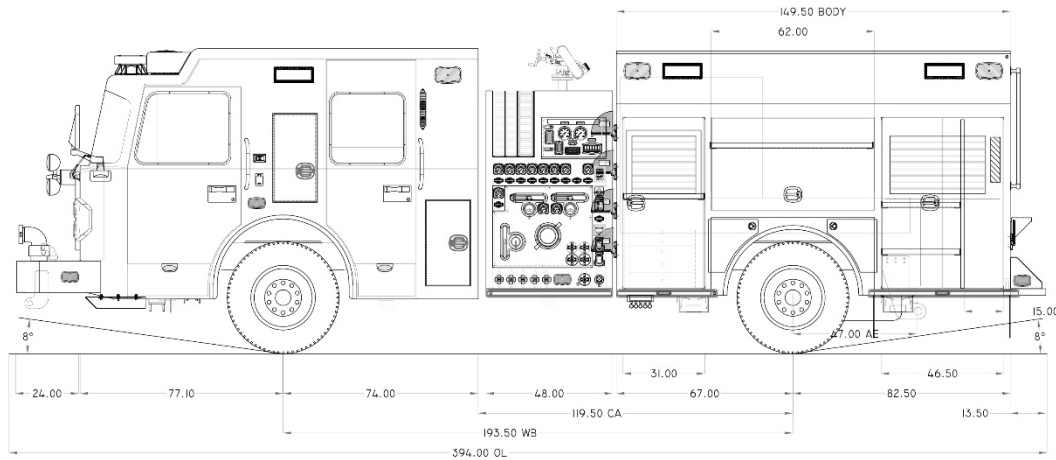

HOWARD COUNTY DFRS PURCHASES SPARTAN PUMPER  
*Elkridge, Maryland - November 9, 2018*

FESCO Emergency Sales is pleased to announce that the Howard County Department of Fire & Rescue has purchased a Spartan pumper. The 2019 Star series body will be built on a Spartan Metro chassis, equipped with "APS" – Advanced Protection System, for the safest cab in the industry.

Howard County DFRS has gone to market and selected three vendors as replacement for a long standing vendor they had been purchasing from. We are excited to produce the new generation Howard County pumper with the Spartan advantages featuring "unsurpassed safety and the FESCO service experience."

Assistant Chief Uhlhorn and Battalion Chief LePore are heading up the committee. The new Spartan will be going to the Elkridge Station. Thank you for your trust and confidence in us.

This unit was sold by Pete Laake, Jr.

This drawing is not final and is subject to engineering review.
