TILLIE BURGIN

“Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.”
Matthew 25:40

Thank you so much for your support. The people who come with special needs in their life are able to receive what they need, and they leave *the Mission* with smiles, . . . and hearts of gratitude. I wish often that you could be here just to watch the activities that are taking place on our campus.

In fact, last week a donor came through in his truck to drop off some much-needed items. When he saw the people (those giving and those receiving) he parked his truck and started helping. I saw him walk a family out to the clothing room to show them where the clothes were so they could shop. They needed clothes for their children. The donor got back in his truck, went to his house and brought back children’s clothes.

It is truly hard to describe **the joy that is ours** as we give. This young man left here after a few hours only to say, “I am coming back, and I will go to my neighbors and get more donations coming in.” The people need a chance to be okay in our city.

SCHOOL SUPPLIES NEEDED

*2 young ladies:
helping us to put
together school
supplies in 2020.*

You can help provide school supplies to an **anticipated 9,000** Arlington ISD students again this year. Students still need supplies even in this pandemic.

We give personal care to each student and every family.

1. You can purchase the items yourself and bring them by our offices, or
2. designate “school supplies” when you give online, and we will purchase them for you;
3. Help organize & distribute the supplies. Call 817-277-6620 for more information.

THANKFUL FOR PROVISIONS
