You Are A Blessing! ★

Our hearts are filled with gratitude for you. Some of you have called and said, "I have a little work for someone who has lost a job." Some of you have brought financial resources to help those in crisis. Thank you!

This past month a real tough situation occurred with a family. We were able to help with their rent, utilities and food. These resources helped, not only with their financial needs, but also to get the children back into school. Today they brought a little food and money to the Mission in gratitude for your support when they were in crisis.

What a blessing you are! What a community that works together so everyone can be okay. Thank you for your generosity.

Rainbow Express ★

This Spring, Mission Arlington led Rainbow Express in 121 locations across our community. **11,342 children** attended these week long, fun-filled events. Rainbow Express includes songs, games, crafts, puppets, Bible stories, and a lot of love. **318 people committed their lives to Christ** during this time. 1,215 students from 52 different church groups helped Mission Arlington host these events.

Youth Ministry ★

Mission Arlington loves teenagers. Weekly Bible studies, weekend retreats, free lunch programs, special worship experiences, and summer camps are all part of the Mission Arlington experience for youth. On the Thursday before Easter, two hundred (200) young people attended a Maundy Thursday experience designed just for them. Twelve (12) of those young people made significant decisions for Christ.
