

ORLANDO PAINTBALL

INVITATION

ABOUT YOUR INVITATION: You are invited to participate in an adventure that will challenge your capacity mentally and physically. You will have to undergo different scenarios where strategy, communication, and team skills will increase your chances of survival. Your mission is set to take place at,... **Orlando Paintball**, Florida's premiere Indoor/Outdoor paintball facility!

DOES IT HURT: The pain from getting hit by a paintball is like being snapped by a rubber band. Baggy, loose fitting clothes take away from the pain of getting hit, and is also cooler and more comfortable for movement.

WHAT TO WEAR: The paint in the paintballs does wash off. However, since you will be playing both Indoors and Outdoors it is recommended that you were old heavy clothing. Also, consider running shoes or army boots.

WHAT IF IT RAINS: Orlando Paintball is both Indoors and Outdoors, so weather will not ruin your venue.

OTHER: Every player gets one slice of pizza, there is FREE Wi-Fi for bored parents, and there are vending machines with Pepsi and Arizona drinks also.
