

# Each one of us has many opportunities daily to make a **KIDDUSH HASHEM...**

Simple interactions you have with family, friends, neighbors, co-workers, cashiers or bus drivers can really inspire (or un-inspire) them. They're expecting elegant, holy behavior, (and they should.)

Ok, so your Kiddush Hashem won't necessarily be picked up by **CNN**...

- How about these simple ideas:**
- 1** Keep your phone on 'silent' at dinner and in line at the store.
  - 2** Be super honest in business.
  - 3** Greet people with a smile.

## WHEN WILL YOU "CASH IN" ON YOUR KIDDUSH HASHEM OPPORTUNITY?
