B. PRE-PROPOSAL CONFERENCE

1. Meetings

CSG has scheduled a mandatory pre-Proposal conference on the date stated in the Proposal and Award Schedule found in Section III. A. to review the RFP and answer questions related to the RFP. The conference will be held in the CSG Layfield Conference Room, located on the second floor. In order to meet the mandatory requirement, Proposers may dial into a conference number provided upon request in lieu of on-site attendance.
CSG will not accept Proposals from those not attending the meeting (physically or via conference call). Interested Proposers are strongly encouraged to send a qualified representative who can competently represent it or its company’s best interests to the pre-Proposal conference. Allow enough time for the conference. All vending machines are located either Pre-Security or Post-Security, so a tour will be scheduled.

Interested parties must RSVP by emailing soverton@flycolumbusga.com before Monday, January 18, 2021 in order to attend the pre-Proposal conference.

C. PRE-PROPOSAL QUESTIONS

1. Questions

CSG invites all questions referencing this RFP by Tuesday, January 12, 2021. Questions submitted after 4:00 P.M. on January 12, 2021 may be ignored. In an effort to be sure that your questions are properly understood and answered, your questions MUST be e-mailed or mailed to the Airport Contact Person at soverton@flycolumbusga.com

If discrepancies or omissions are found by any prospective Proposer or there is doubt as to the true meaning of any part of this RFP, a written request for a clarification or interpretation must be e-mailed or mailed to the Airport Contact Person by the question deadline stated above. CSG will not answer any questions by telephone or in person. CSG will issue addenda as necessary to respond to questions submitted.

2. Addenda

Following the pre-Proposal conference, CSG may issue addenda to the RFP to make any necessary clarifications or corrections and to address questions submitted. This addendum will include a listing of all persons and contact information for those in attendance.

CSG is not responsible for any explanation, clarification, interpretation, or approval made or given in any manner except by addendum. A copy of each addendum will be made available to each person who attended the pre-Proposal conference and additional copies will be made available upon request.

Any addenda so issued are to be considered as part of this RFP.

D. PROPOSER RESPONSIBILITY

Each Proposer must carefully examine the RFP and related documents and the facilities of the Airport. Each Proposer must judge for itself as to the completeness of all requirements, conditions, and circumstances in the RFP. Failure on the part of any Proposer to make such examination and to investigate thoroughly the RFP and related documents will not constitute a ground for declaration by a Proposer that it did not understand the conditions with respect to its Proposal.

E. WITHDRAWAL OF PROPOSAL

Proposals may not be withdrawn after the Proposal due date. In submitting the Proposal, the Proposer agrees that the Proposal and deposit will remain valid for 180 calendar days after the deadline for submission of Proposals and may be extended beyond that time by
mutual agreement. Withdrawal of any Proposal after the deadline will result in the forfeit of the Proposal deposit.

F. **UNACCEPTABLE PROPOSALS**

The Commission reserves the right not to award a contract to any person, firm or corporation that is in arrears or in default to CSG upon any debt or under any contract, whether as surety or otherwise, or where such Proposer has failed to perform faithfully under previous contract with the CSG.

G. **AIRPORT CONTACT PERSON**

From the date the RFP is issued through the Commission award, Proposers shall not contact any members of the Commission or CSG staff in any way related to this RFP process, except the Airport Contact Person as referenced on the cover page of this RFP.

B. **OVERVIEW AND SCOPE OF RFP**

The purpose of this RFP is to select concessionaires who will best fulfill CSG’s program goals and objectives as delineated in this RFP. The selected Proposers will be responsible for installing and operating a Vending concession, in place of the current concession, at the Airport.

There are currently Vending machines located throughout the Pre-Security and Post-Security portion of the Airport. In addition, existing and/or future This Vending Concession shall not provide the successful Proposer with an exclusive right to operate a Vending Concession at the Airport.
1. General Description of the Opportunity

CSG will provide floor space and electric and data utilities for the installation of Vending Machines. Locations for the Vending Machines can be found in Exhibit F. CSG reserves the right to change proposed Vending locations at any time.

2. Vending Concession Goals & Objectives

CSG seeks a Vending Concessionaire who will:

a. Provide a quick, reliable, convenient Vending experience.

b. Perishable and nonperishable vending items to include sandwiches, fresh fruit, coffee and/or canned/bottled beverages.

c. Place a minimum number of machines throughout the terminal at the locations specified within this RFP to provide the passengers of the Airport vending accessibility.

d. Provide valuable services that may not be currently offered at the Airport.

e. Improve the overall appearance of Vending Machines throughout the Terminal to reflect as much as possible the overall design guidelines of the Airport.

f. Provide reliable, non-routine service and maintenance of Vending Machines, thereby minimizing the downtime of Machines due to the lack of cash or other mechanical malfunction.

g. Provide vending that offers cash & credit/debit and/or non-cash vending payment options; however, no ATM Vending will be allowed.

h. Maximize revenue to CSG.

C. VENDING MACHINE REQUIREMENTS

The Vending Machines shall be freestanding machines similar in size to the currently existing machines (though neither of these sizes are required) and requiring only standard electrical power and data connections.

Operator(s) will be responsible for installing, at its own expense, electrical service if not already existing to each proposed, future, and/or temporary Vending location, as well as any conduit and/or wiring required by each Vending Machine with pre-approval of the Commission.

CSG shall provide and pay for monthly electrical service associated with the operation of the Vending Machines. The Operator shall be responsible for the monthly telephone fees associated with the operation of the Vending Machines, if necessary. All other costs relating to the installation, operation and maintenance of the Vending Machines are the sole responsibility of the Proposer.

No display advertising, including displays commonly referred to as toppers, shall be permitted on or about the Vending Machines without CSG written approval. All display advertising of any type shall be subject to CSG written approval.
The Operator must comply with the Americans with Disabilities Act (ADA) requirements at all locations.

SECTION IV – SUMMARY OF BUSINESS TERMS

All terms will be set forth in the Agreement entered into between CSG and the successful Proposers. A summary of key business terms is provided here for reference. The terms of the Agreement will govern if any discrepancies exist between this summary and the Agreement.

A. TERM OF AGREEMENT

The term of the Agreement(s) shall be two (2) years, with one (1) year renewal option at the CSG’s discretion and with advance notice. The Columbus Airport Commission reserves the right to add additional vending machines at any point during the contract.

B. RENT AND OTHER CHARGES

The Proponent must offer to pay the Commission as rent for the right to operate the Concession package, an amount equivalent to the greater of the following amounts:

- A Minimum Annual Guaranteed rent ("Minimum Rent" or "MAG") for each year of the two-year term of the License; and

- A Percentage Rent (the "Percentage Rent") offered as a percentage of Gross Revenue. The definition "Gross Revenue" is detailed in the Draft Sample License Agreement.

In addition, Proponents may offer at their option to the Commission to pay some other formulas of rent ("Other Rent") as long as these types of rents are to the financial advantage of the Commission and are paid over and above the Percentage Rent and/or Minimum Rent.

The MAG, the Percentage Rent and Other Rent (if applicable) shall be payable in the manner described in the Draft Sample License Agreement.

C. CONDITION OF PREMISES

The airport space will be delivered in “as-is” condition. The successful Proposers will be responsible for all design, signage, electrical costs and construction work in accordance with CSG Design and Construction Standards. A copy of CSG’s Design and Construction Standards may be obtained from the CSG’s designated representative by email at soverton@flycolumbusga.com.
SECTION V – PROPOSAL REQUIREMENTS

A. SELECTION PROCESS

Each Proposal will be evaluated according to the following process to determine how well it meets the requirements of this RFP. The Commission is not bound by the Review Team recommendation in making its final selection.

1. Minimum Requirements

Each Proposal must meet the Minimum Requirements found within this RFP. Those Proposals failing to meet the Minimum Requirements as stated within each section, including completeness, format, and content, may be rejected without further evaluation.

2. Evaluation

The Review Team may verify and substantiate all information contained in each Proposal. Proposers may be asked to revise, clarify and/or provide additional information during the Proposal review process. These requests will require prompt action by the Proposer. Those Proposals not rejected will be evaluated by the Review Team. The Review Team consists of CSG staff from several areas of expertise.

3. Review Team Recommendation

The Review Team will make its recommendation for award to the Commissioners.

4. Authority Decision

The Commission will consider the Review Team’s recommendation and make its decision. (See Section III.A. Proposal and Award Schedule.) Any Proposer may request to speak at either the selection meeting or at the Commission meeting where the final decision is to be made. Under Georgia law, all Commission meetings are open to the public and the final decision will be made in such an open meeting.

5. Award of Agreement

CSG will notify the successful Proposers. The selected Proposers must fully execute and deliver the signed Agreement to CSG, within thirty (30) days after receipt of the Agreement in the form negotiated by CSG and the Proposer. The Agreement will be substantially in the form of the sample Agreement attached to this RFP as Exhibit H. CSG reserves the right, in its sole discretion, to extend the thirty-day timeline, as necessary.

In the event that a Proposer fails to enter into an Agreement with CSG, defaulting Proposer’s Proposal deposit shall be subject to forfeiture hereunder and CSG may award the vending concession to another Proposer.

B. PROPOSAL FORMAT

Each Proposal should be typewritten in a standard 8 ½” x 11”-page format not to exceed fifteen (15) pages; single sided, excluding graphics, exhibits and/or other attachments. The pages shall be numbered, and sections of the Proposal shall be titled and tabbed consecutively (as numbered below).

**SECTION VI - COMMISSION RESERVATIONS**

A. CSG reserves the right to award Agreements on the basis of the Proposals submitted and/or to solicit best and final offers, and/or to negotiate with Proposers for modification of the successful Proposals, at CSG’s option. By submission of its Proposal, the Proposer agrees to be legally bound thereby if CSG accepts its Proposal. CSG reserves the right to reject any or all Proposals and to waive any minor irregularities, informalities, or discrepancies, and to award the Agreement to the Proposer best meeting the needs of CSG as determined by the Commission.
B. CSG will not be obligated to respond to any Proposal submitted nor shall it be legally bound in any manner whatsoever by the receipt of a Proposal.

C. Each Proposer must carefully examine the RFP and related documents, the plans with respect to the concession areas, and the facilities at the Airport. Each Proposer must judge for itself as to the completeness of all conditions and circumstances in the RFP for this concession. Failure on the part of any Proposer to make such examination and to investigate thoroughly the RFP and related documents will not constitute grounds for declaration by a Proposer that it did not understand the conditions with respect to its Proposal. Any and all Agreements arising out of Proposals submitted (including any negotiations that follow) will not be binding on CSG, its officers, employees, or agents unless duly executed by the Airport Director or her designee following approval by the Board of Commissioners.

D. Statistical information contained in these documents is for informational purposes only. CSG is not responsible for any inaccuracies or interpretations of this data. CSG makes no representations as to future enplanements, revenues, or delivery volumes.

H. The Review Team and the Commission will evaluate any and all factors, as it considers appropriate. CSG may consult all personal, business and financial references familiar with Proposer’s prior operations and management of prior projects. Submission of Proposer’s response to the RFP will constitute permission for CSG to make such inquiries and authorization to third parties to respond thereto.

I. All Proposals received shall become CSG’s property and will not be returned. CSG reserves the right to retain or discard Proposals following the conclusion of this RFP process.
SECTION VII – COLUMBUS AIRPORT COMMISSION
DATA PRACTICES

A. PROPOSAL DATA

Once a Proposal is opened, the name of the Proposer and the price Proposal becomes public. All other information in the Proposal does not become public until CSG has completed its evaluation and ranked the responses, which typically occurs when the staff memo recommending award is mailed (or emailed) to the appropriate committee. Therefore, most Proposal information does not become public until after the CSG staff’s memo recommending award is mailed (or emailed) to the appropriate CSG committee. After CSG has completed its evaluation and ranked the responses, the evaluative data (data created or maintained by CSG as part of the evaluation process) and the Proposal information becomes public with the exception of information marked “Private and Confidential” which will only include financial information on the company in question.

A statement by a Proposer that his or her data is copyrighted or otherwise protected does not prevent public access to the data contained in the response at such time that the data would otherwise become public.

Prior to the mailing of the staff memo recommending award, Proposers cannot look at Proposals submitted by other Proposers or data created by CSG as part of the selection process. During that process, members of the Review Team as approved by CSG, the Commission, and outside advisors who have signed confidentiality Agreements may be informed of the data in the Proposals and may view the Proposals. Also, prior to the mailing of the staff memo, Proposers may discuss the Proposals with the CSG Review Team, but the Review Team is not able to reveal the contents of the other Proposals.

In the public Commission meetings, Commissioners are able to discuss any trade secret information submitted in the Proposals to the extent reasonably necessary to conduct the business at hand. That data, however, retains its classification as private or nonpublic.

If all responses to a request for Proposals are rejected by the Commission prior to completion of the evaluation process and ranking, all Proposal data, other than that which was made public at the time of Proposal opening, remains private or nonpublic until a re-solicitation of the Proposals results in “completion of the selection process” or a determination is made to abandon the process. If the rejection occurs after “completion of the selection process,” the data remains public. If a re-solicitation of Proposals does not occur within one year of the Proposal opening date, the remaining data then becomes public.

B. ACKNOWLEDGEMENT

By submitting a Proposal, the Proposer consents to the release or disclosure of information contained in its Proposal, as described in this section. The Proposer agrees that CSG will have no liability for any disclosure required by court order or allowed by a state advisory opinion, or as set forth in this section.
C. ACKNOWLEDGEMENT

Persons who supply data about themselves in response to this RFP are entitled to know the following information:
1. The information requested will be used to evaluate the Proposals.
2. The Proposer is not legally required to supply this information.
3. Failure to supply information may result in a determination by CSG that the Proposal is non-responsive; and
4. The public is authorized by law to receive information that is not classified by law as private, confidential, or nonpublic data.

EXHIBIT A - PROPOSAL ACKNOWLEDGMENT FORM

The Proposer acknowledges that it has carefully examined the RFP, Agreement, and the proposed locations for the Vending Concession.

The Proposer warrants that if its Proposal is accepted, Proposer will contract with CSG in the form of an Agreement and comply with the requirements of the RFP and Agreement documents. Proposer agrees to deliver an executed Agreement to CSG within 30 days of award. Upon approval of the Agreement by CSG, CSG staff and the Airport Contact will expedite the design approval and construction process.

The undersigned guarantees that Proposer’s Proposal meets or exceeds specifications contained in the RFP document.

I affirm that I have read and understand all the provisions and conditions as set forth in this RFP. By submitting this Proposal, Proposer consents to the release or disclosure of Proposal data as set forth in the RFP.
