B. PRE-BID CONFERENCE

1. Meetings

CSG has scheduled a mandatory pre-bid conference on the date stated in the Bid and
related to the RFB. The conference will be held in the CSG Layfield Conference room located on the second floor of the main terminal. To meet the mandatory requirement, Bidders may dial into a conference number provided upon request in lieu of on-site attendance. CSG will not accept bids from those not attending the meeting (physically or via conference call). Interested Bidders are strongly encouraged to send a qualified representative who can competently represent it or its company’s best interests to the pre-bid conference. Allow enough time for the conference and facility tour.

Interested parties must RSVP by emailing soverton@flycolumbusga.com before Wednesday, January 27, 2021 to attend the pre-bid conference.

C. PRE-BID QUESTIONS

1. Questions

CSG invites any and all questions referencing this RFB by Friday, January 29, 2021. Questions submitted after 5:00 P.M. on January 29, 2021 may be ignored. In an effort to be sure that your questions are properly understood and answered, your questions MUST be e-mailed or mailed to the Airport Contact Person at soverton@flycolumbusga.com.

If discrepancies or omissions are found by any prospective Bidder or there is doubt as to the true meaning of any part of this RFB, a written request for a clarification or interpretation must be e-mailed or mailed to the Airport Contact Person by the question deadline stated above. CSG will not answer any questions by telephone or in person. CSG will issue addenda as necessary to respond to questions submitted.

2. Addenda

Following the pre-bid conference, CSG may issue addenda to the RFB to make any necessary clarifications or corrections and to address questions submitted. This addendum will include a listing of all persons and contact information for those in attendance.

CSG is not responsible for any explanation, clarification, interpretation, or approval made or given in any manner except by addendum. A copy of each addendum will be made available to each person who attended the pre-bid conference and additional copies will be made available upon request.

Any addenda so issued are to be considered as part of this RFB.

D. BIDDER RESPONSIBILITY

Each Bidder must carefully examine the RFB and related documents and the facilities of the Airport. Each Bidder must judge for itself as to the completeness of all requirements, conditions and circumstances in the RFB. Failure on the part of any Bidder to make such examination and to investigate thoroughly the RFB and related documents will not constitute a ground for declaration by a Bidder that it did not understand the conditions with respect to its bid.

E. WITHDRAWAL OF BID

Bids may not be withdrawn after the bid due date. In submitting the bid, the Bidder agrees that the bid and deposit will remain valid for 180 calendar days after the deadline for
submission of bids and may be extended beyond that time by mutual agreement. Withdrawal of any bid after the deadline will result in the forfeit of the bid deposit.

SECTION VII – COLUMBUS AIRPORT COMMISSION
DATA PRACTICES

A. BID DATA

Once a bid is opened, the name of the bidder and the price bid becomes public. All other information in the bid does not become public until CSG has completed its evaluation and ranked the responses, which typically occurs when the staff memo recommending award is mailed (or emailed) to the appropriate committee. Therefore, most bid information does not become public until after the CSG staff’s memo recommending award is mailed (or emailed) to the appropriate CSG committee. After CSG has completed its evaluation and ranked the responses, the evaluative data (data created or maintained by CSG as part of the evaluation process) and the bid information becomes public with the exception of information marked “Private and Confidential” which will only include financial information on the company in question.

A statement by a Bidder that his or her data is copyrighted or otherwise protected does not prevent public access to the data contained in the response at such time that the data would otherwise become public.

Prior to the mailing of the staff memo recommending award, Bidders cannot look at bids submitted by other Bidders or data created by CSG as part of the selection process. During that process, members of the Review Team as approved by CSG, CSG staff, CSG Board of Commissioners, and outside advisors who have signed confidentiality Agreements may be informed of the data in the bids and may view the bids. Also, prior to the mailing of the staff memo, bidders may discuss the bids with the CSG Board of Directors, but the CSG Board of Directors are not able to reveal the contents of the other bids.

In the public Board of Commissioners meetings of CSG, Commissioners are able to discuss any trade secret information submitted in the bids to the extent reasonably necessary to conduct the business at hand. That data, however, retains its classification as private or nonpublic.

If all responses to a request for bids are rejected by the Commission prior to completion of the evaluation process and ranking, all bid data, other than that which was made public at the time of bid opening, remains private or nonpublic until a re-solicitation of the bids results in “completion of the selection process” or a determination is made to abandon the process. If the rejection occurs after “completion of the selection process,” the data remains public. If a re-solicitation of bids does not occur within one year of the bid opening date, the remaining data then becomes public.

In order to facilitate the treatment of this data, please identify the items in your bid that are not public.

B. ACKNOWLEDGEMENT

By submitting a bid, the Bidder consents to the release or disclosure of information contained in its bid, as described in this section. The Bidder agrees that CSG will have no liability for any disclosure required by court order or allowed by a state advisory opinion, or as set forth in this section.

C. DATA ON INDIVIDUALS

Persons who supply data about themselves in response to this RFB are entitled to know the following information:

1. The information requested will be used to evaluate the bids.
2. The Bidder is not legally required to supply this information.
3. Failure to supply information may result in a determination by CSG that the bid is non-responsive; and

4. The public is authorized by law to receive information that is not classified by law as private, confidential, or nonpublic data.

*The remainder of this page intentionally left blank*
EXHIBIT A - BID ACKNOWLEDGMENT FORM

The Bidder acknowledges that it has carefully examined the RFB, Agreement, and the proposed locations for the ATM Concession.

The Bidder warrants that if its bid is accepted, Bidder will contract with CSG in the form of an Agreement and comply with the requirements of the RFB and Agreement documents. Bidder agrees to deliver an executed Agreement to CSG within 30 days of award. Upon approval of the Agreement by CSG, CSG staff and the Airport Contact will expedite the design approval and construction process.

The undersigned guarantees that Bidder’s bid meets or exceeds specifications contained in the RFB document.

I affirm that I have read and understand all the provisions and conditions as set forth in this RFB. By submitting this bid, Bidder consents to the release or disclosure of bid data as set forth in the RFB.

I also affirm that I am duly authorized to submit this bid; that this company, corporation, firm, partnership, or individual has not prepared this bid in collusion with any other Bidder and that the contents of this bid as to rent, terms or conditions of said bid have not been communicated by the undersigned nor by any employee or agent to any other Bidder or to any other person(s) engaged in this type of business prior to the official opening of the bid.
