MUSIC CELEBRATIONS INTERNATIONAL
1440 S. Priest Dr., Suite 102
Tempe, Arizona 85281

Dear Mr. Wiscombe,

We are honored to welcome and designate Music Celebrations International as an official partner of Plymouth 400, Incorporated as the United States commemorates the 400th anniversary of the Mayflower voyage, the founding of Plymouth Colony and the Indigenous Wampanoag and English European cultures that inhabited Plymouth in 1620.

We recognize three exciting initiatives organized exclusively by Music Celebrations International:

- (1) Plymouth 400 National Choral Festival taking place in Plymouth April 30 - May 3, 2020, in Memorial Hall. This festival will feature numerous selected choirs numbering up to 400 singers plus orchestra in a gala concert on Saturday, May 2nd.
- (2) Plymouth 400 National Instrumental Festival taking place in Boston and Plymouth April 27 - 30, 2018. This festival will feature up to 8 selected orchestras or wind ensembles who will perform in the famous Boston Symphony Hall and various locations in Plymouth.
- (3) Plymouth 400 National Concert Series taking place in Plymouth between the dates of March 15 - December 15, 2020. This concert series will feature invited and selected choirs, orchestras, wind ensembles, and bands from around the United States who will perform at Signature Events and in venues in Plymouth and Boston representing their States and communities in this national Plymouth 400th anniversary music festival.

Plymouth 400 welcomes all invited performing ensembles to participate in these events and tours to commemorate America's earliest history. The educational and cultural value of visiting our country's roots can be a powerful and memorable experience, especially considering this significant 400th anniversary. The themes of innovation, exploration, self-governance, religious expression, immigration and thanksgiving are the cornerstones of the building of America. This is America's founding story. We hope to see you there in 2020.

We are aware of MCI's involvement and management of the musical talent for the 400th Anniversary of Jamestown in 2007. We welcome your expertise, insight and partnership as you feature hundreds of performing ensembles who are chosen to participate in these festivals — ensembles who will share their talents with the Commonwealth of Massachusetts and the millions of visitors who will participate in this national celebration.

Please invite all interested ensembles on our behalf. We appreciate the awareness that these events will bring to the Plymouth 400th anniversary as groups from around the United States prepare to participate, perform and commemorate this moment in American history that changed the world.

Sincerely yours,
