

Sharing Testimony

Sharing your testimony can sometimes be a little intimidating! The following questions are meant to guide you through the process of sharing “...how much the Lord has done for you, and how he has had mercy on you” (Mark 5:19). These are meant to be a guide, do not approach them as individual questions that need to be answered for an exam.

Let’s start by breaking your story of God’s faithfulness into three parts: life before Jesus, the circumstances and understanding surrounding coming to Jesus, and life with Jesus. When you are sharing make sure that you remember your A, B, Cs.

A-Audible, speak up! We want to hear you!

B-Brief, now is not the time to go into nitty gritty detail on every area of life.

C-Christ Centered, this is the key, give glory to Jesus not self.

Life before Jesus (Acts 22:3-5)

During this section of your testimony share about what life was like before coming to Jesus:

- What stage of life were you in?
- How did you make decisions?
- Who/what was the most important in your life?
- What were you living for?
- What was your attitude towards life in general?
- Who/what influenced your life the greatest?
- Where did you spend most of your time, money, energy etc?

Coming to Jesus (Acts 22:6-11)

During this section of your testimony share about the circumstances, events, and understanding that surrounded you coming to Christ. It is helpful to talk through what you came to **believe** about Jesus, what you **repented** of, and what you are seeking to **obey**:

- Where were you?
- Who were you talking to?

- What were you thinking about?
- What about the gospel really caught your attention?
- What were your struggles?
- Was anything missing from your life?

Life with Jesus (Acts 22:12-21)

During this section of your testimony share about how the gospel of Jesus has changed you since you first believed:

- What do you believe about Jesus, what does it look like for you to repent of sin, and how are you seeking to obey God’s Word?
- How has the gospel of Jesus changed you since you first believed?
- What has God been teaching you recently through reading His word, prayer, fellowship with other believers, sermons, etc?
- How has God been faithful even when you have not?
- Is there a passage of scripture that has been really meaningful to you?
- Is there anything that you want to praise the Lord for publicly?
