

Golf Operations with Public Safety in Mind

- If you are feeling ill, have a fever, have a cough, shortness of breath, or if you have any reason to believe you may have been exposed to COVID virus, DO NOT GOLF and call health links at 1-888-315-9257
- Our website will have an on-line store for all your purchase needs. Membership, green fees, carts, merchandise, etc.
- If green fees need to be paid at the pros shop, we have 'tap' credit and debit card payments to reduce hand-to-hand contact. We will not be accepting cash.
- A greeter will be outside the front door of the pro shop – if the tee-time is pre-paid then the golfer will be directed to the 1st tee by the greeter, if not, one person at a time will be allowed into the building to pay.
- You must have a tee time, no drop in golfers will be allowed!
- Tee-time intervals will be moved to 10 minutes apart to further increase the social distancing protocols. We are asking each group to show up 10 minutes only before their tee time. We are asking groups to maintain their gaps at all times throughout the round.
- The maximum number in a group will be 4 people
- Please ensure social distancing at all times.
- Push-carts rentals will be sanitized before and after each use.
- We are encouraging golfers to walk.
- Golf carts will be single rider. People who are living in the same residence can ride together. All golf carts will be sanitized before and after each use.
- Scorecards and pencils will be available upon request. We are strongly recommending everyone to use the scorecard function on our app.

- All ball washers will be removed
- There will be no coolers on the course
- We will remove bunker rakes.
- On course washrooms will have hand sanitizing stations.
- We are asking people not to touch the flag stick. We have installed a device to remove your ball from the cup with your putter head without touching the flagstick.
- A hand washing station will be outside the pros shop with reminder signage.
- The putting green will not have holes or flags on it. We are asking golfers to practice social distancing when warming up before your game.
- Do not use broken tees left behind by other golfers.
- Do not pick up lost golf balls.

At Carman Golf & Curling Club your safety is our highest priority!
