

Scout Website to Buy Invitations and Thank you Notes and other stuff for an Eagle Court of Honor

Your local Boy Scouts of America council can receive benefits from orders that you place on Scoutstuff.org. If your council is part of this program, we will automatically pay them a commission based on your order total. We have selected the council that best matches your zip code to apply this commission. The council selected for you is National Capital Area Council.

To view or change the council that receives this benefit, go to your Account Dashboard here:

<http://www.scoutstuff.org/customer/account/edit/>. You will see a drop down box next to the word "Council" on the Account Information page. Just select the council you want to receive this benefit.

Thank you for your continued support of Boy Scouts of America.
