A BLAST FROM THE PAST, TAMAGOTCHIS ARE BACK! (0:17)

Tamagotchis shaped the childhood of many in the 90s. Now, they cost twice as much because of all the added features. That is innovation at its finest!

- What is innovation?
 - **ANSWER:** The actions required to create new ideas, processes or products which when implemented lead to positive effective change.
- What is something from your childhood that you'd innovate?

2020, THE YEAR OF ONLINE GAMING (0:55)

In light of the pandemic, the video game industry boomed. Whether you're a gamer or not, we all have made the best out of a bad situation.

- How have you made the best out of a bad situation?

The virtual world has impacted all of us in one way or another, whether that'd be through Zoom calls, streaming services, gaming competitions, etc.

- In what way has the virtual world helped you succeed?

THE WORLD OF ESPORTS, ONE OF THE FASTEST AND GROWING INDUSTRIES IN THE WORLD, WITH MIKE PITCHER (1:55)

Mike spoke about critical thinking and strategy. Not only is this applicable to eSports but also to everyday work.

- Think about an action you have to complete by the end of the day. What course of action are you going to take to complete it? Create a 3-5 step process entailing what it takes to complete that action.

In the world of eSports, you can be a newscaster, programmer, coach, athlete, or influencer. All of these roles come together to form a team.

- Why is teamwork important? (**Answer:** See [The Importance of Teamwork](#))

CHALLENGE: Mike encourages us to "believe in ourselves." What are some ways you believe in yourself? Share with us at [@saywhat.tv!](#)
