### VILLA EMILE EVENT CENTER

The Villa Emile Event Center is an exclusive and expansive outdoor area with over 5,000 square feet of event space. Originally intended to be the family's vegetable garden, it has since been transformed into a hardscape event area. The Center features a large stage, a dance floor, and flowerbeds, in addition to breathtaking views of the vineyards and hillsides. A beautiful white canopy covers the main event area to provide both shade and elegant lighting for your event. This is the perfect venue for a wide range of special events with between 30 and 300 guests.
