

# Going to the Zoo-kul

Read the riddle-kus in this book. Then choose an animal & write your own! Draw a picture hint, if you like! Example:

My tail wags my nose  
when I lie round as a dime—  
I wish you were home

*(Answer: dog)*

**Hint: Do your pre-writing on the back of this paper.**

1. Pick an animal.
2. Choose 3 important facts about your animal. For example, a long neck would be a great clue about a giraffe.
3. Write your haiku in 3 lines. Try using the American 5/7/5 syllable count. Once it's how you want it, copy it below.
4. Want to share your creation? Ask an adult to visit [laurasalas.com/lion](http://laurasalas.com/lion).
