

ST. VRAIN
VALLEY
EDUCATION
ASSOCIATION

Great Teachers • Great Schools

Congratulations on your appointment to the St. Vrain Valley School District staff! The St. Vrain Valley Education Association (SVVEA) is happy to welcome you to our district and its tradition of excellence in public education.

We look forward to you being our guest, along with the other new teachers and leaders of our Association, for lunch on Thursday, August 5th from 11:50 to 1 pm at Thunder Valley K-8.

We will acquaint you with our organization and familiarize you with the activities and benefits of a membership with SVVEA, and the Colorado and National Education Associations (CEA and NEA). We will also let you know about our negotiated agreement between our Association and the District.

We are so confident that you will see the value of joining SVVEA that we are enclosing an application and a payroll deduction form now along with descriptions of some of our membership benefits. You will receive \$50 cash upon joining before or during the New Teacher Orientation. (Teachers new to the profession receive a discount on their first year of membership.)

Read the enclosed information carefully, and as you prepare for the first days of the new school year, please make your membership in SVVEA a top professional priority.

We look forward to seeing you on August 5th. Best wishes for a successful first year in our district and call us any time (303-772-3666) if you have any questions about our organization.

Sincerely,

Steve Villarreal, President
