“Communication Bleeps and Blunders in Business”

Todd Hunt, Business Humorist

You said one thing; your boss or coworker heard something else. Nobody is wrong, but now the resident is confused and somebody has to fix it. In this entertaining and informative session, we'll laugh at ourselves...with Todd Hunt leading the way. He's a proud Recovering Anal Retentive Professional (RARP) who finally learned to lighten up!

Do you eat M&Ms in color order? Alphabetize your cereal boxes? Rearrange the dishwasher because you don't like the way your significant other loaded it? If so, you'll appreciate Todd's take on business and life. (If not, you'll be glad you're not like him!)

Todd was in marketing for 10 years, including the ad agency Ogilvy & Mather. He owned his own marketing company for another 10 years in Chicago. Now he speaks for organizations that want to add fun to their meetings and send members back to work smiling, with tips to improve communication and success.

His books include Does Anal Retentive Have a Hyphen? and Pardon Me, But That's a Really Stupid Sign! His newspaper column, “Communication Bleeps and Blunders in Business,” appears in the United States and Canada, and he stars on several CD and DVD programs.
