July 29-31, 2009

Todd Hunt looks like a pleasant, buttoned-up corporate type. But when he opens his mouth, audiences reel with laughter. His stories and examples, delivered with the sly wit of a seasoned comedian, stick with you long after his program. As an executive at Ogilvy & Mather, one of the world's largest advertising agencies, Todd learned the "inner workings" of communication.

Does Anal Retentive Have a Hyphen?**

Former student teacher, copywriter, and ad agency owner, Todd Hunt is a Recovering Anal Retentive Professional (RARP), who finally learned to lighten up. Now he speaks for organizations that want to add fun to their meetings and send members back to work smiling, with tips to improve communication and success. You'll howl as he acts out voice mail greetings, showing how we waste 240 hours each year. His demonstration of the "correct" way to order fast food will challenge you to consider where your listener is coming from. And his recollection of junior high English teacher, Miss Reiser, will bring back memories of your own (fond or otherwise). Todd's communication lessons wrapped in laughter will end the conference on a high note as we enter our new year!
