Helping good people change the world.

THE 15 INVALUABLE LAWS OF GROWTH

How to Achieve Your Personal and Professional Potential

Virtually everyone wants to grow personally and professionally, but many people struggle to make that desire a reality because they simply don't know where to begin. We have good news for you! Leadership guru John C. Maxwell identified fifteen laws guaranteed to help you realize your potential. Based on lessons from his book by the same title, this program uses self-assessments, group discussions and activities, and other practical applications to introduce timeless universal principles that will help you accelerate your personal and professional growth. Want to grow personally and professionally? This program will show you how!
