CHANGE YOUR WORLD

How Anyone Anywhere Can Make a Difference

For many of us, the world we live in feels broken. Division, anger, violence, corruption, poverty, homelessness. We all see it and ask, “why doesn’t somebody do something?” It’s as if we’re paralyzed. But the powerlessness we often feel is a myth. Everyone can do something! By learning to change *your* world you can help transform *the* world. Based on the book “Change Your World,” this program will teach you the principles and practices authors John C. Maxwell and Rob Hoskins use to lead life-changing transformations in communities worldwide. Want to join the movement and start making a difference? This is the program for you!
