Six Sigma Contracting

Dear Rick,

Thank you for the incredible job that you and your team did on the steel roof and siding replacement on our two commercial buildings in Lockwood. I think the buildings themselves look great. I appreciate the attention that you paid to the details of the construction and to the tenants. I did not have a single tenant complaint while your crews were on site or about the work and cleanup that was performed. I also appreciate that you continually communicated the schedule with me and took time to be sure that I was comfortable with every step of the process from the estimate to the completion walk thru.

I would highly recommend your company to anyone in need of a commercial contractor.

Sincerely,

Cindy Konecny
