—well gosh, i'm not sure we ordered this service but now that you're here, i don't want to speak for my roommate necessarily but i'd be pleased as punch to hear what newsworthy items have emerged recently from this band's orbit.

—terrific, let me grab another pencil.

noticing his shaking hand you say

—hey bud, would you like to come in for a glass of water?

—it...it would be an honor. hey.. i don't mean to be intrusive, but.. i have to ask,
his tremor meanwhile increasing..

—are you.. The steve?

you sigh & say

—well kid. you really wanna know what i think? i'd say there's a bit of steve in all of us.

he nods cautiously.

—especially me. me, steve.
