hello everybody & merry marigold day!

we are so thrilled to share with you our new album. it's dedicated to anyone who has known happiness. to anyone who has lost it & got it back.

for anyone who has watched a v of birds fly overhead & kept watching until they were gone.

it's for anyone who has had to put their head down & do the work; who thought their pain might never end & felt impatient; & for anyone who has felt suddenly surprised at how lovely the world can be. a beautiful sentence. an elegant flower.

this album is for anyone who is chronically dehydrated; for anyone with a slouching problem; for anybody who has the honor of being in love right now. it is dedicated to anyone who is striving to live a more intentional life & to anyone whose favorite primary color, against all odds, is yellow. this album is for you. thank you for your

patience & trust & love. we appreciate you so much. it's an honor to be on this journey together.
