## SANITARY FITTINGS & ACCESSORIES

Every household is different, and the same is true for each corresponding bathroom. Whether you need a place to relax after a long day at work, enough space to fit the whole family, enough space for one, or the right storage solution for the avid spa-enthusiast, APAC Bathroom Fittings and Accessories can provide solutions for all. APAC Bathroom Fittings & Accessories cater for stainless steel fixtures, sinks, bath tubs, showers, and many more at affordable prices, adhering to high quality and style.

## WHY APAC Sanitary Fittings & Accessories?

**WIDE VARIETY & CHOICE** APAC Sanitary Fittings & Accessories come in a multitude of finishes, ranging from chrome to brushed nickel, and from acrylic to ceramic. With the right material and design, the difference made to your bathroom is worth the careful consideration.

**SUSTAINABLE & EFFICIENT** Sustainable water consumption and high efficiency ratings are at the forefront of APAC Sanitary Fittings & Accessories performance. All APAC Shower and Tapware fittings are WELS approved and bear Watermarks to certify economical usage without compromising maximum function.

**EASY INSTALLATION** APAC Bathroom Vanities, Tapware and Toilet Suites all come with installation guides, as well as the relevant accessories to complete each unit within the best time frame and budget.

**WATER & SCRATCH RESISTANT** Stainless steel tapware and fittings are some of the most durable on the market, and APAC Sanitary Fittings & Accessories offer a full range of products fit for regular water exposure. With regular easy maintenance, water residue will leave no lasting marks and scratches are a breeze to buff out. APAC Bathroom Vanities are also designed and built to withstand regular water exposure, avoiding warp and swelling.

**VOC FREE** Bathrooms are prone to steam and heat, making it the ideal environment for mold and mildew to develop. APAC Bathroom Vanities are designed to inhibit the growth of bacteria and are also made with E0 and E1 grade materials. APAC Stainless Steel Fittings & Accessories are also built to withstand corrosion and exposure to harmful chemicals created from prolonged usage.
