

SD-CM

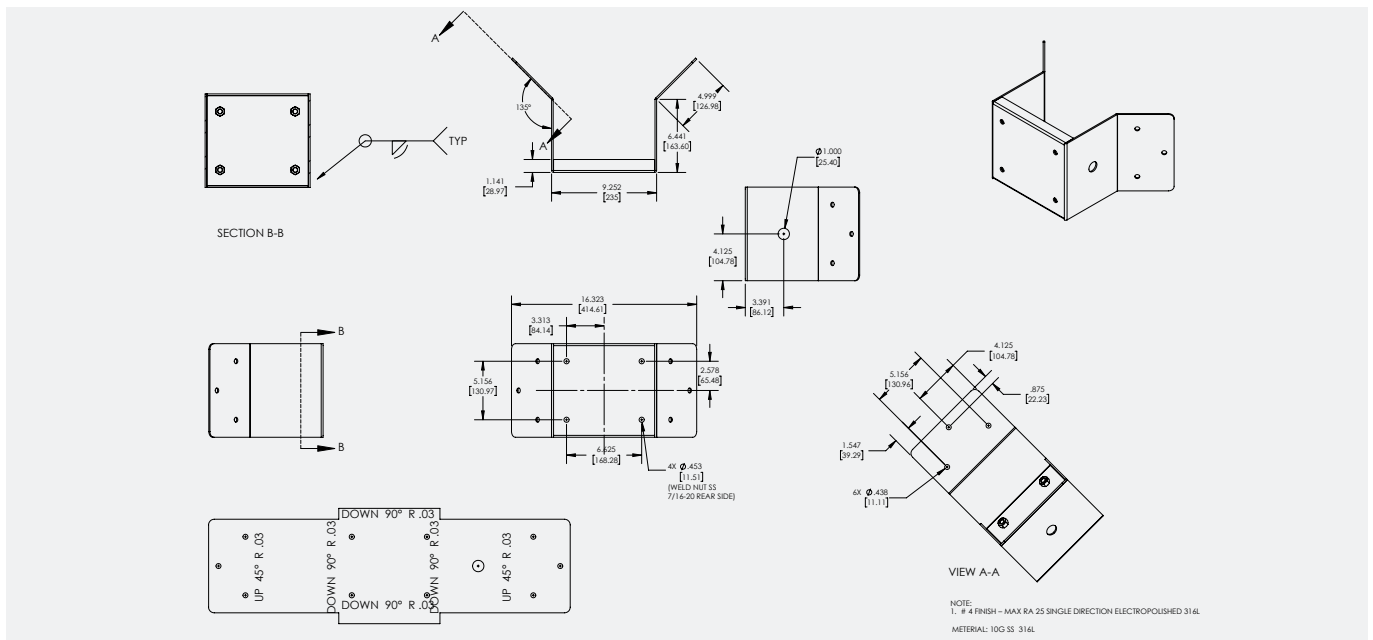

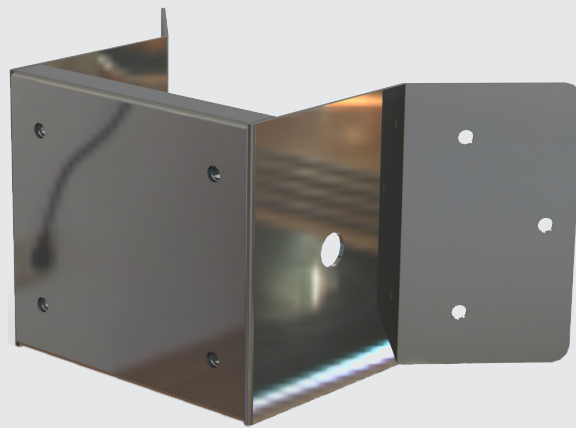

Corner-Mount Adapter

Description

The electropolished stainless-steel corner-mount is designed as an accessory for all cameras. Together with the required wall-mount, it allows for the cameras to be mounted on corners. The corner-mount is ideal for onshore, offshore, marine and heavy industrial applications.

Key Features

- Ability to mount cameras on corners
- Electropolished Stainless Steel
- Resistant to Corrosion
- Sturdy & Safe
- Secondary retention entry point
