Re: CZMP Issue Number 7-015

Baltimore County Council
400 Washington Avenue
Towson, MD 21204

Dear Council Members,

I am writing this in support of the residents of the Fort Howard community for their opposition of Baltimore County 2020 Comprehensive Mapping Process Issue Number 7-015 concerning the Fort Howard Veterans Administration Property in District 7.

We oppose the current application by Himmelrich Association to change the zoning to 5.5 houses per acre and support the decision made by Councilman Crandell 4 years ago to lower it to one house per acre.

Sincerely,

Donna Metlin

President

Colgate Improvement Association
