

# Humboldt County Sheriff's Office

Mike Allen, Sheriff

We at the Humboldt County Sheriff's Office understand the importance of professional licenses and Concealed Carry Weapons (CCW) permits to many who reside within Humboldt County. We also take the health and safety of Humboldt County residents and Humboldt County employees very seriously. In an effort to comply with social distancing guidelines and do our part in battling the Coronavirus in Humboldt County, while at the same time servicing those who wish to obtain a CCW or other professional license, our fingerprinting process has been modified. The below process is the only option for being fingerprinted by the Humboldt County Sheriff's Office until the proper health authorities advise us it is safe to resume normal operations within our offices. We appreciate your patience.

Those requiring fingerprinting for professional licensing or obtaining or renewing a CCW permit need to call our office at 775.623.6419 and follow steps 2 through 5 below.

## Interim Process For CCW Applicant and Renewal

1. Go to <http://www.hcsonv.com/concealed-carry-weapon-permit/>. Print and completely fill out application, including notarization.
2. Call HCSO and schedule an appointment to be fingerprinted and photographed (beginning June 1, 2020).
3. At the time of the appointment, applicant will need to check in, pay applicable fees and provide a cell number to HCSO front office personnel at 50 W. Fifth Street. Once checked in, applicant will be required to wait in their car or outside the building until HCSO personnel are ready.
4. All applicants will be screened prior to entering the Sheriff's Office. Applicants must wash their hands, have their temperature taken, have their shoes sprayed with disinfectant and must also wear a face mask and/or face shield. Face masks must be brought by the applicant and will not be provided by the HCSO.
5. Only those requiring services will enter the Sheriff's Office.

**\*All applications that are not completed and notarized or payment is not received with application packet, will be returned to sender and will delay your CCW Permit.**

**\*\*Essential applicants such as those applying for medical licensure may take precedence.**
