

What comes to mind when you think of “inheritance”? How is this both the same and different from the inheritance we have through Christ? How often and in what ways do you think about your promised inheritance from God? How does that impact the way you experience and handle suffering and persecution in this world?

Do you ever doubt that you are saved or fear what will happen to you when Jesus returns? Why or why not? How does verse 5 both encourage and warn us about the surety of our salvation? How does God’s guarantee of guarding you until Christ returns help you better face and respond to suffering and persecution in this world?

3. APPLY THE TRUTH

Pastor Micah said, “Suffering is not optional, but misery is.” Based on the truths in this passage how can you praise God in the midst of a current suffering or persecution in your life?
