WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

Fifty Years of Serving Him

June 7, 2021

Dear friend of Roy and Lou Ann Keiser,

Thank you for your past support of the Keisers. They served our Lord with distinction and integrity. Fruit abounds to your account for your investments of prayer and money.

As the president of the missions agency of the Keisers, I wanted you to know of a third generation missionary and his wife, David and Raquel Bonikowsky. David is now pastoring the church where the Keisers served.

I am convinced David and Raquel are God's people for the full-time task of church planting in this region of Spain. They began working with Roy and Lou Ann in 2017. David wants to lead the church to self-sufficiency and autonomy.

The Bonikowskys are at 50% of support. David and Rachel are expecting a second child. As a couple, they want to give themselves to the work of the ministry as missionaries.

My wife and I visited their home and have been to their church. I believe they are genuine in their ministry desire, sincere in their devotion, and balanced in their lives and ministry.

Friend, would you consider assisting David and Raquel with regular support? God called them to the work, He qualified them in the work, and they are available for the work.

I asked David to provide a letter of introduction for you to know more about them, their ministry, and harvest vision to reach Spain with the Gospel. His letter is included.

The Bonikowskys know the language, the culture, and the people. They are ready for service. They just need a few dozen partners who will help them reach the Basque region of Spain. Will you ask the Lord if He wants you to be one of their partners?

For the harvest,
