

# THE CAMPUS SERIES

## **College Cinnamon Rolls**

**: Invite the local college/university to visit school and host an information session for all juniors and seniors. Provide cinnamon rolls for students. Ask the college representative to cover topics such as the application process and what they are looking for in student applications.**

## **College Application Night**

**: Work with your guidance counselors to organize a college application night that includes local universities and colleges. Market the evening through social media and the hashtag, tagging pictures to the university and colleges that are participating.**
