

# THE CAMPUS SERIES

## Social Media Awareness Day

**: The need for understanding our digital footprint is growing. It's time to educate our peers about the do's and don'ts of social media. Reach out to your local law enforcement agency to see if they can provide a workshop/presentation for the student body about the dangers and proper use of social media.**

## Twitter Chat #

**: Set up a Twitter Chat to use as the communication tool for all "campus" activities. Use a # (schoolname)pride to rally students for a suggestions, make announcements, or post pictures of past events and/or upcoming ones. Be sure to monitor the # as part of the responsibility for making the "campus" experience a positive one for all students.**
