

THE CAMPUS SERIES

Lunch on the Lawn

: Pick a warm weather day and take your lunch onto the football field for a day. Work with the administration and football coaches to select an appropriate day and time. Organize a day when the student body will have an outdoor picnic on the lawn, just for fun.

COMMUNITY

Pennies for Power

: Through social media, take a poll on one cause that your student body is very passionate about in your community. Now, host a penny drive. Collect pennies in homeroom and donate all money to that cause.
