

# THE CAMPUS SERIES

## Door Decorating

**: Challenge each classroom and office to decorate their door for the holidays. Each door should be decorated in a unique way, in collaboration with fellow students, staff, and colleagues. Identify door judges and nominate winners for categories such as “most creative” or “best in show”. Have fun with the categories and decorating!**

## Staff vs. Students

**: Before winter break hits, have some fun with a staff vs. student (basketball, volleyball, kickball, mat ball etc.) game. Organize the staff team to take on a student team in front of the student body during an assembly/pep rally. The student team can be made up of either your current sports teams or can be a fundraiser for a good cause by selling raffle tickets to win a spot on the student team.**
