

THE CAMPUS SERIES

Class Banners

: Challenge each grade level to see who can design and hang the class banner with the most school spirit! Give one week for each class to plan and design a banner that will showcase its unique spirit. Bring all four banners into the gymnasium with the student body and have a cheer off. Which class is the loudest when called out and holding up their banner? Have celebrity judges determine the winners!

SPIRIT

Music Appreciation Week

: For one week only, in between each class, play music over the PA system to keep the students and staff moving. Ask students and staff to submit music they would like to hear played in the halls. Screen all music to ensure it's school appropriate, and create a playlist.
