6. Position Statements

6.1 Member Protection

- WUSPBA is committed to the safety and wellbeing of all members including children and young people within the association and will act to maintain a safe environment. It also supports the rights and wellbeing of its staff and volunteers.

6.1.1 Report and Respond Appropriately To Suspected Abuse

- WUSPBA leadership will ensure all members are aware of their responsibilities under this policy.

6.2 Anti-Discrimination and Harassment

- WUSPBA opposes all forms of harassment, discrimination, and bullying. Harassment involves conduct that adversely affects the environment and that the perpetrator knew, or reasonably should have known, would be unwelcome.

6.3 Intimate Relationships

- Intimate sexual relationships between tutors/band leaders and players—while not necessarily unlawful harassment—can have harmful effects on the player, on other players and tutors, and on the band's public image. Such relationships can be exploitative because there is often a disparity between tutors and players in terms of authority, maturity, status, or dependence.
- Because there is always a risk that the relative power of the tutor is a factor in the development of such relationships, tutors working at all levels should avoid such relationships.

7. Grievances

A grievance is a dispute under this Policy between:

- a member and another member;
- a member and the Executive Committee;
- a member and WUSPBA.

Categories for Grievances

- Infringement with Protest: In the event of a protest lodged by one band against another band for infringement of the rules at any contest and the Association representatives are unable to render a decision, the Executive Committee shall make a full inquiry into the protest. Should the Executive Committee be satisfied that an infringement has taken place, it may suspend the decision of the judges and award any prize to the band next in order of merit.
- Infringement without Protest: The Executive Committee shall have the power to act without a protest being lodged if it is satisfied that an infringement of the rules has occurred.

8. Disciplinary Action

- The Executive Committee may consider and deal with any reported breach of this Policy after the reported member has been informed that the Committee intends to proceed in the matter.
- The reported member shall be entitled to address the Committee in relation to the report.
- The Committee may take any disciplinary action it thinks fit in response to the report, including suspending the reported member or terminating their membership in the association.
- A member who is suspended or whose membership is terminated pursuant to this Clause may by written notice to the Secretary within seven days after he is notified thereof appeal to an Extraordinary General Meeting. Such meeting will be called without delay for the sole purpose of hearing the appeal and which may by resolution carried by three-fifths of the members present and entitled to vote allow the appeal.
- The Executive Committee shall proceed in accordance with its Dispute Resolution procedure as outlined in Article 18 of the WUSPBA Bylaws, which can be found at:
