*Life has no remote. Get up and change it yourself.*

**1. Sunday's Sermon: "Biblical Meditation: One Form of Prayer," Psalm 37:4, Psalm 1:1-3, Psalm 23, Dr. Harold Cross – Guest Speaker**

**2. New Sunday School Quarter begins March 7th with New Materials and Classes Offered**

**New Sunday School Class with a Prayer Emphasis** - Dr. Harold Cross and Mike Harris will lead a new 13-week Sunday School class using "Disciple's Prayer Life, Walking in Fellowship with God" as the study by T.W. Hunt and Catherine Walker beginning March 7th. Join a Question-and-Answer session and sign-up opportunity taking place in the Music Suite following both worship services on February 28th. You must attend one of the Q&A sessions to register for this class. Students will be asked to commit to daily Bible study work. Join this study to help you communicate better with God and deepen your relationship with Him.

**Explore the Bible – led by Howard Wright**

This quarter, Howard's class will be exploring Luke 10-24. This group will be learning about God the Son as He took on human flesh and became the Son of Man. He walked among humanity, experienced love and hate, suffered rejection and death, and rose victoriously to offer salvation to whomever would repent, believe, and receive Him.

**Bible Studies for Life – led by Richard Duncan and Tommy Myers**

This spring, Richard and Tommy's class will be studying Essentials of Christianity, which examines seven core truths of our faith, fundamental truths tied to the character of God, the nature and work of Christ, who we are, and where we are going. They will also be discussing How to Share Christ, a look at six biblically-based principles to guide believers in sharing the gospel of Christ with others.

**The Gospel Project – led by John Richardson**

One of our newest Sunday School offerings, The Gospel Project, led by John Richardson, takes class members on a chronological, Christ-centered journey through the storyline of Scripture. Our new study for spring, The Church United, examines some of the most vital teachings of the Bible around which the early church gathered in worship and then scattered in mission. In a divided world, the unified church testified to the greatness and glory of Jesus Christ, who saves sinners by grace alone through faith alone.

**Genesis 1-11: Fact or Fiction? – led by Dick Sanders**

This quarter, Dick Sanders will be taking another group through the Biblical account of creation, pulling from his many years of study and research on this fascinating subject. The size of this class is limited, so be sure to contact Paulette Gardner if you are interested.

**Family Sunday School Class for Parents, their Children, and Youth**

We also continue the Family Sunday School Class that meet in the Student Building. Children's Sunday School is still on hold.

**3. Landscape Workday and FBCHHI Student Ministry Student Building Spring Cleaning - Saturday, March 20th, 9:00 AM - 1:00 PM** - Volunteers are needed to help put down pine straw in our flower beds and repair a retaining wall on Saturday, March 20th. On the same day and time, our Student Ministry will be Spring Cleaning the Student Building. Please join us as we get our church campus ready for Easter and summer activities.
