To Whom It May Concern:

I am submitting this letter of recommendation on behalf of Shawn Benjamin, who I have known personally and professionally for approximately 5 years. I met Shawn when she was asked to join a group of public safety professionals who developed a program called Camp Fury, a program designed to encourage young women to pursue careers in public safety. Shawn proved to be highly self-motivated and well capable of achieving any goal she set her mind to. At Camp Fury and as Shawn's supervisor at two fire districts, I knew that if I gave her a task it would be completed in a timely fashion and with professionalism. Shawn can learn new concepts and technologies promptly, applies them to her daily work and takes the initiative to teach others. Her goals revolve around the team completing tasks, achieving goals and making an organization successful. Her dedication and commitment to doing things right the first time with an inclusionary approach was apparent in the many community events, projects and professional assignments I observed her complete.

Shawn's expertise in web design and social media are critical skills that greatly enhance any organization she is involved with. Shawn has a innate desire to serve those who lead as well as her peers and she understands that the organization is at its best when all members of the team are supported.

Shawn would be an asset to any organization lucky enough to have the opportunity to work with her. Please contact me at c.horvath14@gmail.com or by calling my cell at (520)609-7918 if you need additional information.

Best,

Cheryl Horvath, Fire Chief
Tubac Fire District
